- Contestants may enter in multiple performances, but may only be considered to win in one division.
- Performers using pre-recorded music must provide the music to our DJ at least 4 days prior to the competition. For vocalists, your accompaniment selection must not include any vocals, except for "back-up" vocals. Once your application has been received, each contestant will be contacted to be given the specific information regarding your act, to review the rules of the competition and to discuss the chosen method of getting your music to the DJ.

Awards will be presented at the Finals. The finalists will be competing for the Marilyn Barry Memorial Award which will be presented, along with 2 runners up in each division, as soon as the judges complete their deliberation following the final competition.
